

OSCARS April/May 2016

Apologies for the absence of the April newsletter, which was due to the lack of P.C. during a good part of April. We are now up and running again but much data was lost during recovery including all the e-mail addresses!

Many thanks go to John Richards for his help and time trying to fix our computer but in the end, after buying recovery discs, the P.C. had to go to the professionals and a new hard drive installed. We are sorry that we were unable to update Tapestry as we were using the iPad for correspondence. Normal service has been resumed.

'Easter' playscheme was very successful; we were fully booked for several days. The trip to cattle country was enjoyable despite the muddy conditions and tie-dyeing was popular with several children wearing their t-shirts the next day

We had several items left behind: 2 drinks bottles from Watermore School, a blue cycle helmet and an 'Elf' jumper.

Can you call Pam to arrange collection please.

We are still taking bookings for May/

June Playscheme however we are now full on the INSET Day, 6th June.

Summer Playscheme plans are coming along nicely and the booking forms will be available by Tuesday 7th June from the desk and online later that week

Watch out for our exciting Early Bird special offer! Details to follow.

Oscars will be open during F.C.C.E's Summer Fair on 9th July, please come along and bring your friends too!

Pam, Claire and Siobhan have recently undergone Paediatric First Aid Training which we update every 3 years.

A.G.M.

Tuesday 14th June

At 7p.m

Light refreshments
available.

Sorry we are unable to offer childcare.
