

OSCAR'S Newsletter ~ February 2016

**The next parents' meeting
is set for 7 p.m. on
Tuesday 8th March.**

This is a day when most people who replied to Survey Monkey thought the best evening for a meeting so we hope to see you! We will share the Survey Monkey findings.

Amongst other things the survey raised the issue of afternoon snacks. Some children feel we do not offer enough choice. Please let Pam know if you and your children have any suggestions on how we can improve our menu. Please bear in mind that we have to follow the same food standards that are adhered to by the school dinner service.

Staff continue to try and improve the play space for the children. During the February Playscheme our new coat racks arrived which are just for Years 5 & 6 and should make the 'cloakroom' area less of a muddle. We are now looking forward to the arrival of our new art table.

Easter Play scheme booking forms are available now. Our theme is "Double the Fun" so we will be offering lots of fun lively activities as well as inspiring arts and crafts! Please remember to get your booking form in early as we had to turn bookings away for our February Tobogganing trip ☹

OSCAR'S staff have continued with their Professional Development with everyone completing Food Hygiene. The next course will be 'Prevent Duty'. Whilst we have been preparing for this course we came across this very useful site for you as parents which you may like to look at. <http://www.educateagainsthate.com/>

As you know, we do like to get outside as much as possible so please send your children in with suitable clothing and footwear especially during play schemes.
