

June 2014 Newsletter

Oscars A.G.M.

Tues 8th July at 7 pm

Please note the change of date and earlier time. [Our previous date clashed with a new parents meeting at W.I.A.]

A new committee will be elected and we really hope for a good turnout. The committee work very hard to run OSCARS for you, so to show your support by coming is really appreciated. Of course if you would like to join the committee you would be very welcome as the more members on the committee the easier it is to run OSCARS. We look forward to seeing you!

Profile from Verity Heal

It will be a little emotional resigning from the Committee this summer, but having served on the Committee in one way or another since my son started in reception (he's now in year 6) I feel I have done my bit. It has given me a great sense of satisfaction to know that by giving just a few hours a month I am contributing to such a great organisation. As Vice Chair my role was not at all onerous, all I had to do was chair the odd meeting when the Chair wasn't attending and once a year submit an online form to the Charity Commission. If you are thinking about joining the committee or for stepping forward for one of the recognised roles, then I strongly recommend you doits so rewarding and you get to know the staff and other parents socially too. Go on...give it a go.... You won't regret it!

Oscars will be open on the afternoon of Frampton Cotterell C of E school fete. We are promoting our services to new families and to advertise our fantastic summer playscheme. Children from other schools may attend during Playschemes, so if you know of anyone who might need childcare please recommend us.

Summer 'Around the world' playscheme

Booking forms and the programme are available now from the desk and online. Download at www.oscarschildcare.org.uk. click Holiday Schedule to find full details.

Book by the 23rd June to take full advantage of our Early Bird offer! Full details of terms and conditions are with the booking form.

We had a super May playscheme despite the weather! During this time, Matthew Baber mended our picnic benches so they may last another few years. He did a super job. Thank you very much Matthew.

We are still hoping that someone will be able to help us build a go-cart ready for the summer holidays. If you can help please see Pam. Thank you!
