## November 2012 newsletter

Thank you for returning the survey forms on a change to breakfast opening times to 7.30am. The results were 79% of responses to stay with the 7.45am opening. We will therefore stay with our existing opening time, but this can be reviewed in the future if we have further requests for an earlier opening.

We would also like to thank those who attended the parents meeting on 7<sup>th</sup> November. Our next meeting will be in the spring.

New year booking forms are now available from Oscars and online at

[www.oscarschildcare.org.uk](http://www.oscarschildcare.org.uk).

As October Playscheme was so popular it is advisable to get your bookings in as soon as possible!

Please note that we will close at our normal time on Friday 21<sup>st</sup> December and re-open

with a Playscheme day on Wednesday 2<sup>nd</sup> January 2013.

Our Policies, Procedures & Rules for Members are undergoing review. The December newsletter will outline all the changes which you will then be able to view online but we do need to draw your attention to the changes being made to the Waiting List Rules.

### Waiting list

Should a place be requested, but not available, you will be entered onto a waiting list. Please note that each session has its own waiting list. Places will be offered on a first come, first served basis. This may mean that you are allocated a place on a temporary basis if someone has been on the waiting list for longer, but doesn't need the place until a future date.

**1st offer declined** - should a place be offered, but not taken up the child will stay on the waiting list at the same place.

**2nd offer declined** - should the place be offered for a second time, but declined, the child will then go to the bottom of the waiting list.

Can anyone help please? We are in need of unused A4 paper for drawing etc. so if your company has changed it's stationary recently and has unused stock we would gratefully make use of it!
