

## September 2014 Newsletter

**W**elcome back to the new school year and a very warm welcome to our new families. If you need to get in touch with us 'out of hours' please leave a message on the answer machine, it will kick in after about 6 rings or use [oscars@terrapin1.virgin.net](mailto:oscars@terrapin1.virgin.net) to leave a message. We will always respond to let you know we have received your message.

Hope you have noticed our new look! OSCARS has had a major makeover during the school holidays, inside and out! Richard and Michelle Key have done an excellent job. We are just waiting for the replacement fire door to complete the look.

### Registration Forms

If your child attends our Before and After school club their new registration and emergency contact form should have been returned by now, if you have not already done so please return it as quickly as possible. For those children who attend Playscheme only, please make sure they are returned before they next come to us. Thank You

A reminder that year2 children can come over to OSCARS after school on their own, unless you tell us otherwise.

School clubs will soon be up and running and it is important that you advise us when your child is attending. It is just as important to tell when they are not! A message can be left as above and not with the school please.

### October Playscheme (Already!)

Booking forms are available from OSCARS and online for a traditional Autumn/Halloween playscheme. This includes 2 in service days either side of Half term so playscheme runs from Friday 24<sup>th</sup> October to Monday 3<sup>rd</sup> November. Please book  early, as spaces are limited.

"Thank you" to Alex Macdonald for the donation of the garden draughts. "Many Thanks" also to Sallyanne Haigh who has kindly bought us 2 scooters

## September 2014 Newsletter

and a DVD, this will all be very well used!

We had a very successful,  
very busy summer  
Playscheme !!

We welcomed 11 new families whose children integrated well with all our 'regulars'.

Only a few advertised activities didn't happen such as pond dipping (river too high, went blackberrying instead) and a splash slide day as too cold.

We did everything else on our programme to keep all the children fully involved despite all that was

involved in having the whole building painted!

The Drumming and Bollywood workshops were both excellent and lots of fun and Puxton was again a really good trip for both children and staff!

Once again we had comments from both venues and visitors on how well behaved the children were.

"Your children were a pleasure to look after this summer so thank you for the privilege." 😊

Pam & the Team
